AQUALUX STRONG

Shades that restore the beauty of wood

AQUALUX STRONG

A fresh look for your wooden surfaces

Every grain of wood tells a story — a journey through time.
To keep that story alive, it deserves protection from the sun, wind, and rain.

Our product forms a durable, protective layer that shields the wood from the elements, preserving its natural warmth and authentic beauty.

For doors that greet your guests, garden furniture that gathers laughter, tool sheds that hold memories, or interior pieces that create atmosphere. Discover shades that inspire balance, bring comfort and freshness, add vitality and focus, and leave a hint of mystery.

Balance, Fresh, Focus, Mystery, Vital and Comfort
— shades for a unique atmosphere.

Whether you're aiming for a calm and balanced ambiance, a refreshing and airy space, precise clarity, or a touch of intrigue — these shades transform every wooden surface into a lasting visual experience.

The perfect blend of advanced formulation and inspiring color selection makes them ideal for both exterior and interior use — for wood that not only lasts, but tells its own timeless story.

Introducing **AQUALUX STRONG** - a premium coating for the protection and decoration of wood. Its high-coverage formula provides effective protection against fungi, mold, algae, and the natural aging of wood.

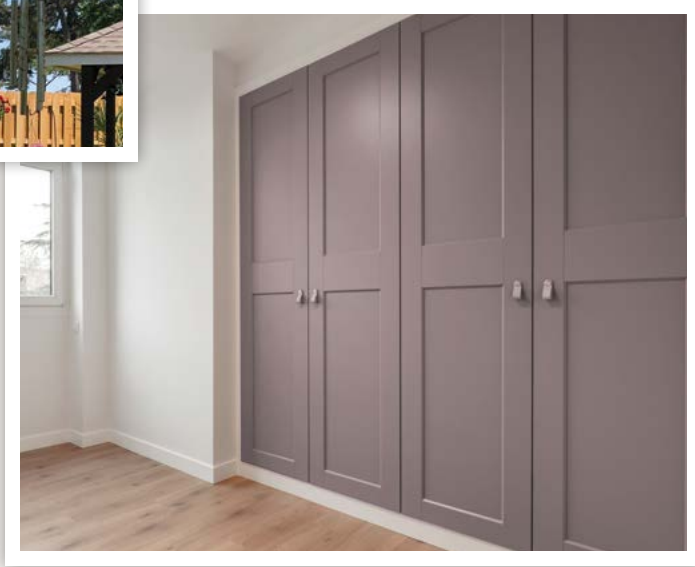

✓ MOISTURE PROTECTION

STRUCTURES

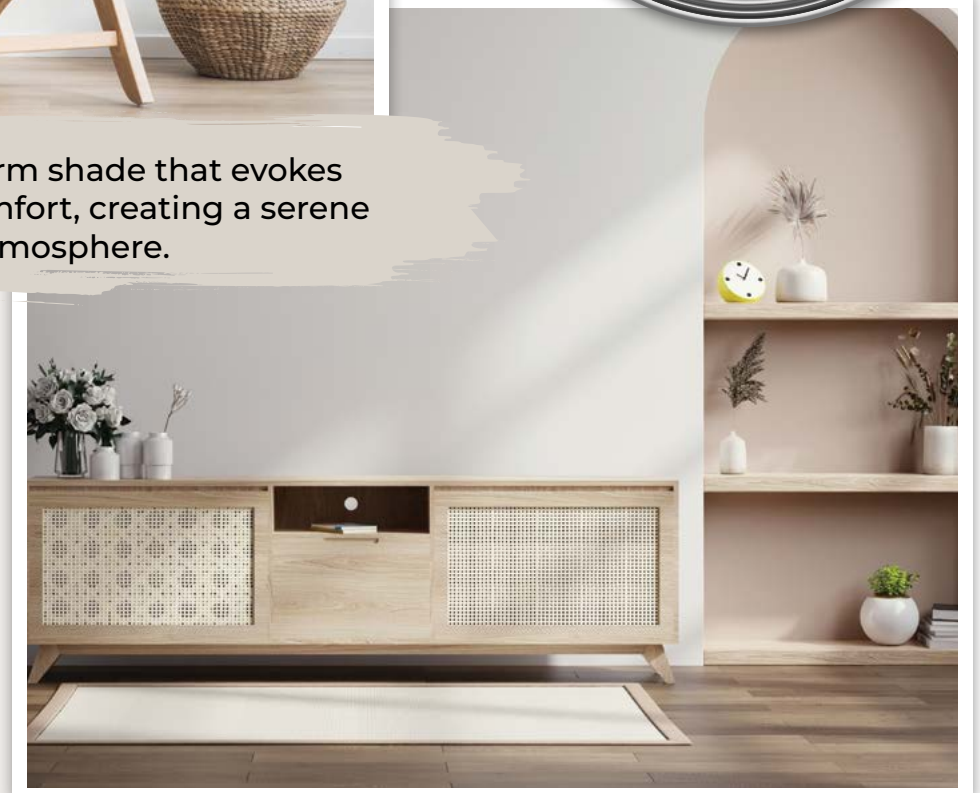

A timeless, natural shade whose subtle neutrality blends seamlessly into any space — bringing warmth and a sense of authenticity.

Balance

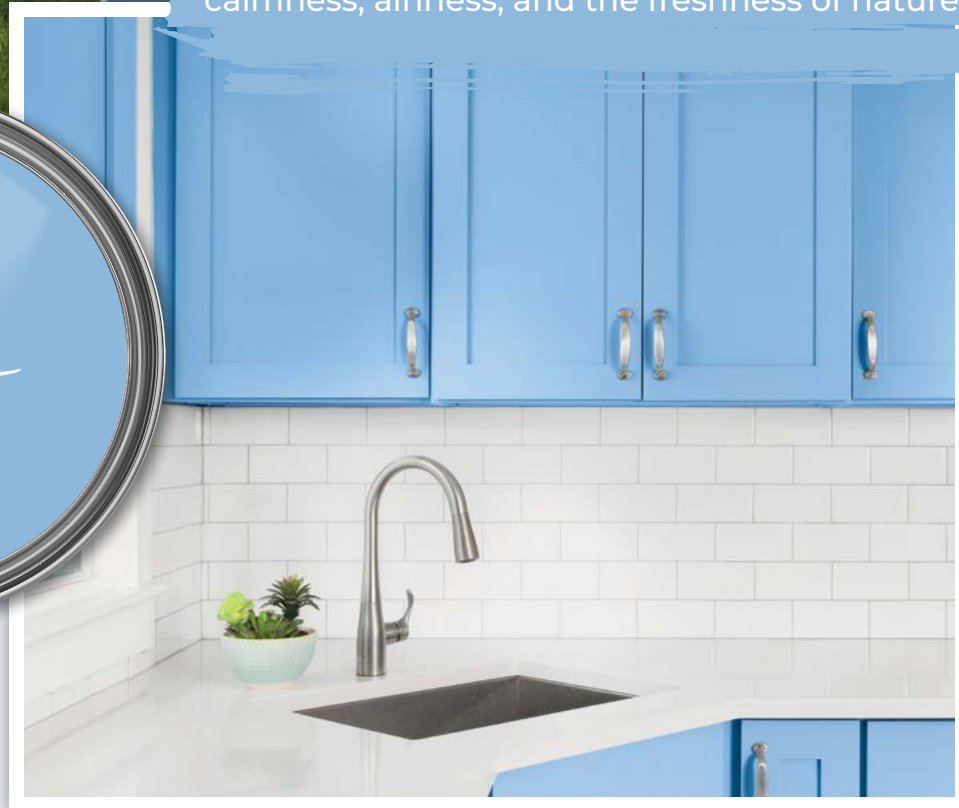

A gentle, warm shade that evokes peace and comfort, creating a serene atmosphere.

Comfort

A modern light blue shade that brings calmness, airiness, and the freshness of nature.

A lively and dynamic shade full of energy — enhancing the warmth and vitality of any wooden surface.

An elegant, refined shade that radiates confidence, yet remains perfectly balanced and composed.

Focus

A shade with a touch of mystery — sophisticated, intriguing, and irresistibly unique.

AQUALUX SHIELD TOP

Exceptional surface durability

Wood surfaces protected with **AQUALUX SHIELD TOP** gain enhanced resistance to washing, impact, and abrasion.

Recommended for interior and exterior joinery, furniture, kitchen fronts, and all other surfaces exposed to frequent use.

When combined with **AQUALUX STRONG**, it's ideal for renewing and refreshing aged wooden surfaces.

With simple brush or roller application, superb leveling, fast drying, a natural finish, and outstanding durability — this system ensures wood stays protected and beautiful for years.

Introducing **AQUALUX SHIELD TOP** — a UV-stable transparent protective coating designed for all types of painted surfaces.
